

“Corporal Punishment” by Britannica

Corporal or physical punishment is any punishment in which physical force is intended to cause some degree of pain or discomfort and all other acts leading to insult, humiliation, physical and mental injury, and even death. The team from Britannica presented the detailed information of various kinds of corporal punishment used and exercised in schools. They also discussed cases from different states where such punishments were enforced and it becomes a part of their ritual. The vote of thanks was given by Ms. Shweta.
