

## REPORT ON WORKSHOP

### “CELEBRATION OF ICONIC FIGURES”

*“When you move your focus from competition to contribution, life becomes a celebration. Never try to defeat people. Just win their heart.”*

- Gautam Buddha

Iconic figures play an important role in the life of an individual because they encourage and motivate by their contribution in life. Different iconic figures such as Kabir, Tagore, VeerSarvarkar, SaadatHasanManto, Begum Akhtar, HabibTanvir, Narayan Guru, Meerabai, AkkaMahadevi, Jnaneswar, Basava and TeejanBai are known for their work and contribution in different forms of life such as music, dance, education, religion, literature and welfare of society. So it is important to celebrate their role as they provide a scope of learning for all. To keep this notion in mind, a workshop was conducted for **B.EdIst year students** under the practical ‘Understanding the Self’ in which students were divided into ten groups and they selected three iconic figures and presented their views about them. It was a learning platform for all as they explored about the life of different iconic figures and shared their views with the help of Powerpoint Presentations on the **Google meet on 28.01.2021**. It aimed to build qualities of cooperation, teamwork, coordination, leadership and personality development of the students. As it was done in groups, the students of GIAST came up with novel and imaginative ideas by including role play, poetry, dance and different artistic skills to make it more lively and engaging. It was a joyful and meaningful activity for all of the students as they participated with eagerness and zeal.
