Objectives

Sexual Harassment Committee has been formed to achieve the following objectives:

1. To provide congenial work atmosphere wherein females can perform their respective activities without any fear of exploitation.
2. To take the necessary steps to identify any objectionable advancements from any corner of the institute premises.
3. To empower the females to protect themselves from any type of victimization.
4. To train them in self defense skills.
5. To provide them the list of the appropriate authorities whom they will contact for protecting themselves.
