The Principal

Subject: Invitation for participation in National Seminar on “Globalization and Challenges for School Education” on 09th January’ 2020.

Respected Sir / Madam,

Greetings!

GIAST invites you and your faculty along with the students for National Seminar on “Globalization and Challenges for School Education” on 09th January ’2020 (Thursday)

Globalization refers to coming together of countries and people of the whole globe with an aim to integrate advancement of societies in terms of economy, polity, culture, education and technology etc. in order to achieve more equitable, fairer and livable world. Globalization in the field of education refers to integrate educational system of a particular nation with the world educational system. It is a distinct process by which decisions and activities in one part of the world has significant consequence for individual and communities in quit distant part of the world. The world is entered into a new century and a new millennium. In this context, India cannot ignore the changes that are occurring in the rest of the world. The Indian System of Education is facing today many Challenges arising out of globalization and liberalization. The age of globalization has brought in a sea change in the field of education in India. Globalization of education has to be spread broad mind that education is not meant only for and individual for a society. The process of globalization is affected the educational system of our country to meet the challenges of globalization.

In today’s highly competitive era, schools are expecting the teachers to have strong innovative challenges along with the School Education for Globalization which would be needed by these students to face the challenges of life; the prospective teachers are to be prepared to cope with the changing societal and professional needs. For this GIAST is providing platform to enhance the potential of aspirant teachers.

About the Seminar:

The seminar intends to provide a common platform for researchers, academicians and eminent educationists from the field of education to share their experiences and deliberate upon the significance to empower students with Globalization and Challenges and bring paradigm shift in the field of Education at large.

Sub Themes:

- Teacher –Oriented v/s Interactive Classroom Teaching-Learning
- Teaching for Social Change
- Classroom Scenario in Indian School and the Schools of Developed Country
- Using Content Based Strategies of Teaching.

We humbly request you to depute two teachers and two students from your Institute to actively participate in the seminar and make their significant contributions in the deliberations.

Note: Interested Faculty & Students wish to present their papers are requested to send the abstract on or before 18th Dec’2019. The papers would be published in our Gitarattan Journal Education (GJRE); if selected by the panel of eminent referees in the issue of July’ 2020.

We solicit your gracious presence on this occasion to make this event a grand success.
