ABOUT THE FDP

“Education is the key to unlock the world, a passport to freedom”.

Let us all be one in the fighting against COVID-19 and helping ourselves by taking the safety measures and endeavoring to raise the economy of our country.

“If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you.” --- Zig Ziglar

The outbreak of COVID 19 has resulted in a paradigm shift in Education. Online classes are the need of the hour to sustain our Education system, especially in the wake of the outbreak of the pandemic. Students cannot be deprived of their Right to Education for long. It is a well acknowledged fact that no books, no reading material, can replace a teacher. The objective of conducting the online classes is to provide quality education through virtual medium. Teachers often come across various teaching problems in adopting this mode of teaching-learning. In an attempt to improve the quality of teaching-learning through online mode, GIAST decided to invite experts and organize the much needed Faculty Development Program (FDP) through Online Mode.

The main objectives of organizing this program are:

- Setting the stage for successful interaction
- Designing various e-learning materials for support.
- Choosing a virtual platform that allows synchronous communication.
- Effective ways to Develop E-Content

WHO SHOULD ATTEND

- Practitioners of different colleges & Universities
- Teacher Educators
- Research Scholars
- Academicians
- Principals/ HODs of the Schools

MAIN THEME

“The Right Perspective of organizing Online Classes”

SUB THEMES

- The Right Perspective of ICT Tools & Techniques for Online Teaching-Learning
- The Right Perspective of Integrating Foundational and Methodology Papers through online mode
- Pedagogical Considerations for the online teaching of Sciences and Maths
- Pedagogical Considerations for the online teaching of Social Sciences & Languages
- Online Learning during Pandemic: Strengths and Limitations

REGISTRATION

- There is no registration fee for the FDP.
- The last date to register is 22nd June'2020
- The technical sessions of the FDP will be conducted on “CISCO WebEx app”.
