

“Music and its Forms”

A workshop was organized by Gitarattan institute of advanced Studies and training on “**Music and its Forms**” by **Mrs. Kamlesh Aggarwal** and **Mr. Shankar Kumar, Music Teacher, GRJPS**.

In order to highlight the importance of music in our daily life and to impart knowledge about its origin and its form, this music workshop was organized. It was an interactive and engaging workshop. It began with chanting of ‘OM’. Then the students were introduced with the word ‘music’, its origin, its structure and its various form. Later, students were introduced with the different musical instruments and the famous musicians and instrumentalist who gave music a new identity with their talent and took it to the new heights. After delivering this knowledge, students were encouraged to try their hands-on musical instruments.
